

“architectural paint”

products will be accepted by Environmental Projects Inc., in partnership with paintcare as a recycling service during the hours of operation on Household Hazardous Waste Day **ONLY**.

Products will be collected if in its original container with the original manufacturer’s printed label and a secured lid. A maximum limit of 5 gallons will be enforced.

#### Acceptable Products

Interior and exterior architectural paints:  
Latex, acrylic, water-based, alkyd, oil based, enamel (including textured coatings)  
Deck coatings, floor paints (including elastomeric)  
Primers, sealers, undercoaters  
Stains  
Shellacs, lacquers, varnishes, urethanes (single component)  
Waterproofing concrete/masonry/wood sealers and repellents (not tar or bitumen-based)  
Metal coatings, rust preventatives  
Field and lawn paints

### How to Safely Transport Items

- ✓ All items brought to the collection must be in sealed containers.
- ✓ Tighten caps and lids, leaving materials in the original labeled container when possible.
- ✓ Pack containers in sturdy, upright boxes and pad with newspapers. Sort and pack separately: paints, pesticides, household cleaners.
- ✓ NEVER MIX CHEMICALS.
- ✓ Place materials in vehicle, preferably in the trunk. Prevent box from tipping over in the car.
- ✓ Go directly to the collection site. On arrival, please stay in your car!

***NEVER SMOKE while handling Hazardous Materials.***

***Children should NEVER handle Hazardous Materials.***
